Getting to Zero

Final Report of the Massachusetts
Zero Net Energy Buildings Task Force

Come hear the Remarkable story of how the North Quabbin Community Food Coop emerged into a Grant funded Zero Net full blown retail community grocery store offering local, organic and affordable foods in a retrofitted 140 year old masonry bank building. QUABBIN HARVEST

KARL BITTENBENDER— is a Retired Business Consultant with 20 years of Management in various not-for-profit housing and energy agencies including Tech. Director of Mass Save and Construction Proj. Manager of the Randall Pond Industrial Park. He has commercial lending experience with Shawmut Bank.
