

FALL 2020 INTERNSHIP OPTIONS AT MOUNT IDA

WORK IN THE BOSTON AREA

Sign up for an internship or co-op with one of the many employers in our field (some are also available at the Mount Ida campus). Work full-time or at reduced hours (e.g. 30 hrs/week) to leave time for some courses. Look for opportunities here or in your email:

- Careers in BCT: bct.eco.umass.edu/for-students/careers-employers

LEARN IN BCT

Stay on track and earn credits with courses as needed during fall. We are offering:

- **All regular BCT courses will be offered in an online format:** Use Mount Ida's computer lab, library, the maker space, our on-site faculty (Dr. Paul Wolff), and TAs to succeed in those.*
- **Get credit for your internship:** Enroll in BCT 398 / 498 for pass/fail credit (max. 15 credits) or BCT 396 / 496 for graded, project-based independent studies (max. 6 credits).
- **Enroll in any of our Mount Ida-based courses:**
 - BCT 597Q – High Performance Buildings: Issues & Perspectives (3 cr.)
 - ECO 697DL – Sustainable Building & LEED Certification (3 cr.)

LIVE AT MOUNT IDA

(Air-conditioned) dorm housing and meal plans are available on the Mount Ida campus in Newton, MA.* The campus also offers transfers to the local T stop. Use it as a convenient base for your internship in the Boston area. Athletic center access and social programs will also be available.*

**Subject to availability and university health and safety guidelines. Check the Mount Ida Campus website for details.*
